The Shoppe was created in order to serve as a space of grace - where items, FAIRLY TRADED, from ministry partners who work tirelessly to make an honest living, can be displayed and distributed to those who want to support coffee farmers in Guatemala who have been working to rebuild their lives since Guatemala's years of violence, the women of Denver's "Women's Bean Project," the homeless artists' cards from The Gathering Place in Denver... and many others. This Spring **Ear-bobs** by Alana, a ministry to a group of "lost boys of Sudan" living in Denver.
